BATTLE OF BALLOTS SATURDAY

Draws First Blood

To Arlon B. Davis of Sulphur Springs, Texas, son of the famous Cyclone Davis, goes the distinction, if it is a distinction, of drawing first blood in the tense Allred-Hunter race for governor. According to Davis his father, Cyclone, was speaking for Tom Hunter to an "acre" of people in Gilmer, Saturday afternoon, when a stranger set up a microphone and asked to make an announcement. Getting Cyclone's permission, the man said he was Bennie Allred, brother of Jimmie Allred, that he had been scheduled to speak there for three weeks, and further, according to Davis, that Cyclone Davis had been breaking up other people's meetings for 45 years and that he was there to stop it. "Then I hit him," says Arlon. "Twice. Behind the ear and on the chin."

JAMES COLEMAN BUYS FURNITURE BUSINESS

James L. Coleman, who was associated with his late father, J. W. Coleman in the ownership and operation of the Cameron Furniture Co. and the Coleman Funeral Home, has purchased the interests of the heirs of the estate in the business. Announcement is made by Mr. Coleman this week that he is now moving his stocks to the Sampson building across the street from the present location. The funeral home will occupy the same quarters as now and the furniture business will front on the street next to the Citizens National Bank building and adjoining the B. F. Stewart grocery.

Mr. Coleman announces new merchandise for the opening of the store on September 1. He is away in the Dallas market this week end to buy goods for the new store.

BRADSHAW ESCAPES IN FORFEITURE OF BOND

Although every means possible was used by Sheriff L. L. Blaylock to bring back here from Illinois, W. H. Bradshaw, who is charged with complicity in a swindle of \$1500.00 from a woman in Burlington, Milam County, the man was not returned to this county.

Sheriff Blaylock went to Springfield, Illinois, last week with a requisition, which was honored by the Governor of that State, and a warrant issued for the arrest of Bradshaw. Bradshaw's attorney had also filed a protest with the governor of that state, and before Sheriff Blaylock could get to Mt. Carmel to take Bradshaw into custody, he had been released on cash bond which he forfeited and had left Mt. Carmel about 24 hours before the Cameron Sheriff arrived.

Bradshaw's wife is also charged with a similar offense in Rosebud. She claims to be a physics reader, whose stage title is "The Great Siona." She is still at large.

B. P. Matocha, prominent Cameron attorney, has returned from South Texas where he made speeches in behalf of Allred for Governor. He spoke at Schulenberg, Moulton, Shiner, Weiner and Hallettsville.

TWO NEW TEACHERS FOR SCHOOLS HERE

Thursday, August 16 the Cameron School Board met in special session and elected E. D. Parnell to the position of agriculture teacher, which position was made vacant through the resignation of Mr. Strickland.

Mr. Parnell has served in the capacity of agricultural teacher in the Runge school for the past eight years. He is especially well fitted for this work in his preparation and experience. Mr. Haynes, head of the State Department of Education, rated him among the upper ten per cent of the agriculture teachers of the State. Mr. Parnell completes his work for Master's Degree at A. & M. College the 25th of this month, with his major in agriculture. He comes to his new position with a broad vision and a desire to participate in useful work.

Monday of this week the Board of Trustees also met in special session and elected Miss Tiny Whitaker of Dallas to fill the position made vacant through the resignation of Miss Mangum.

Miss Whitaker has taught in the Port Neches school for the past three years. She has her A. B. degree from the University of Texas.

'Ham House' Specials Feature Food Buying

"Ham House" specials feature food buying opportunities in Cameron this week. McLane & McLane, the big store on Main Street keep up their newspaper advertising to announce a food sale of wide general interest this week end.

The store by offering these specials magnifies buying advantages in Cameron and they invite you to take advantage of their offerings in this "Ham House" special week-end sale.

J. D. Eplen To Open Furniture Business

J. Dow Eplen, former associate in the Cameron Furniture Company, is opening a furniture business in Cameron this week end. The business will buy and sell new and used furniture.

Mr. Eplen will stock some new furniture also. The business will be located in the building next to the Milam Hotel. He has many friends here who will be glad to know he is again to enter business.

CITY SEEKS POLL LEVY AGAINST 3 UTILITIES

If the tax payers of Cameron want the city to have the advantage of \$3,500 in additional revenue, a saving that could be realized in lower taxes, they should at once urge the members of the Board of Aldermen to vote for an ordinance now pending and support Mayor Chas. C. Smith and City Attorney Bill Morrison in their efforts to secure this additional revenue.

The ordinance now pending is known as the "Pole Ordinance" and proposes to charge a small rental against the utility companies out of consideration for space given them on the streets and alleys of the city. This ordinance was introduced in the early stages of the Smith administration but Aldermen refused to pass it.

The ordinance was not voted upon but will be in the near future and the Mayor and City Attorney earnestly urge that all tax payers speak to the members of the Council about this method of reducing taxes before the vote is taken.

"I offered to withhold introduction of this ordinance," said Mr. Morrison, "if the Texas Power & Light Company would give the city its street lighting without cost, and if the telephone company would agree to a substantial reduction in business phone rates, I would agree not to press this legislation. The city now pays the light company \$1500 per year for street lighting. This amount is half the amount the company pays in taxes to the city. The purpose of this ordinance is two fold, to bring much needed revenue and to require these utilities to pay something for the privilege of using the property of the people which are the streets and alleys on which they do business and collect more than hundred thousand dollars each year in revenue from subscribers."

At the regular meeting on Tuesday night of the City Council the ordinance was presented by the City Attorney at the request of Mayor Smith. This ordinance, according to Mr. Morrison, is the same as an ordinance formerly in force in Dallas and which the Supreme Court of Texas approved after the utility companies contested the rental imposed by the city government there.

The companies to pay under the Cameron ordinance are the Southwestern Bell Telephone Company, Postal Telegraph and the Texas Power & Light Company.

VICTORY FOR McCRAW PREDICTED FOR TEXAS

AUSTIN, Aug. 22.—His intense, 500-mile runoff tour of Texas has convinced him that the people will overwhelmingly choose William McCraw, the lawyer, as their Attorney General, McCraw announced as he swept through the final week of his second primary drive.

McCraw, who led the field in the first primary by nearly 30,000 votes, declared, "The people of Texas now know that it would be a dangerous mistake to elect Walter Woodward, the utility-controlled politician to the highest law office of their state. They know that it is a lawyer's office and that McCraw, the lawyer is the man for the job."

In his concluding addresses in the larger cities of the state, McCraw continued to point out his opponent's "insincerities and inconsistencies" (See McCRAW on page 4)

Tom Hunter Speaker Here Friday at 2:30

Telegraphic information received by Postal this morning is that a speaker for Tom Hunter for Governor will be in Cameron at 2:30 Friday afternoon to speak for Hunter.

Local supporters for Hunter are making all preparations necessary for the meeting, it was announced.

NEW POLLING PLACE VOTED FOR CAMERON

A new voting precinct for Cameron was created last Thursday by the Commissioners Court.

The city has thus been divided into two voting precincts, one to be as heretofore at the court house and the other at the old grammar school or any suitable place in the new district.

The new precinct consists of all territory embraced as follows: Beginning on North Travis at city limits and extending south to Batte gin lot, thence to Santa Fe track and thence west to city limits. It is estimated that the number of voters will be about half of the city strength.

All residents not included in this new district will vote as heretofore at the court house.

A. E. Matula, manager of the Wm. P. Carey Company, lumber business, was made election manager. The first polling will be in the November election this fall.

The move to give Cameron two polling places is regarded as a step forward in progressive election management. The court took this action on recommendation made by the county Democratic Convention held on August 4th after J. B. White county chairman, requested a resolution asking this enactment.

Batte Will Answer Freeman Speech At Thorndale Friday

R. L. Batte, Jr., of Thorndale, will broadcast a speech in favor of Tom Hunter for governor over station KDRS at 10:30 o'clock Friday morning he announced Wednesday.

The address will be in reply to a speech broadcast by J. K. Freeman, attorney of Cameron, in behalf of Allred for governor. The speech of Mr. Batte can be received at 1120 kilocycles, he said.

He made a reply to Mr. Freeman in Thorndale on Saturday when the latter spoke there for Allred.

Friends of Mr. Batte and Hunter supporters are invited to tune in on the Thorndale station and hear his address.

RUN OFF PRIMARY IN COUNTY RACES ALSO

Texas is ready for the battle of ballots Saturday and Milam county voters are waiting for the polls to open at 8 o'clock so that they might register their choice for local as well as state officers.

Interest in the county run-off races center chiefly about the contest between Henderson Walker, Democrat, in the race for Assessor and Collector of Taxes, and Bill Alex Bonds, former tax collector. Another angle of the county contest is the race for Treasurer between Woodsie Devers and Ernest Howard.

In Precinct No. 1 Buford McMillion, who led the balloting in July, was pitted against Walter H. Fuchs for Commissioner.

Dick Hairston, veteran Commissioner in Precinct No. 3 is being opposed by R. S. Cloud and Clyde Moore in Precinct No. 4 is in the run-off with E. G. Stiles.

Of much interest in Cameron is the race between Womack Brashear and Henry Ruby for Justice of Peace for Precinct No. 1.

Considerable campaigning has been done for Tom Hunter and Jim Allred for governor in Milam county. Hunter was due to get a majority.

A reduction in the number of votes over the figure cast in the July primary was anticipated, due to the reduced number of candidates and lessening of general interest.

PICNIC FOR VISITORS

As a compliment to Miss Nelta Mayberry of Temple and Miss Alpha Erle Weisenant of Houston, who are guests of Miss Helen Swift of this city, a picnic was given on Friday night by Miss Swift.

Guests besides the two honorees were: Vernon Mayfield, F. E. Jackson, Serena Weems, Earl Curtis, Del Horstmann, Thad Bailey, Joe Anderson, Mary Katherine Buford, Charlie Ursay, Billy Moore, Roy Esslinger, Katherine Mode, Roy Heath, Frank Newton and Mr. and Mrs. Henry Dreyer, who chaperoned.

Tax Payers Overlook Budget Meet Tuesday

Budget for the government of Milam County was adopted by the Commissioners Court Tuesday of this week. Notice of the meeting published last week failed to bring any of the tax payers to the meeting. Having given notice as required the court proceeded to adopt the budget.

When the budget was adopted in 1932 many taxpayers appeared and heard the budget discussed. This year none appeared.

The rate for the county was set at 70c on the dollar valuation. This amount when combined with the state rate gives the government an initial charge against the tax payers of \$1.47.

A reduction of 10c was made in the road district tax at Milam. This charge was fixed at \$1.60 prior to the budget hearing. Road district levies range from 20c at Cameron to \$1.50 at Milam, the highest in the county. These levies are due to bonded debts voted by property owners back in the bond orgy days when debts were considered "progressive."

The total amount of the budget is \$209,675.78 and this grand total takes into consideration all funds (See BUDGET on page 4)

Sees First Rain

Born May 10, 1934, Little Jane Mathies is pictured as her older brother, Curtis, initiates her into the mysterious knowledge of rainfall. Except for a few scattered drops, a brisk 20-minute shower in one part of Fort Worth last week is the only rain that has fallen there during Jane's lifetime. Luckily she lived in the small area that received precipitation. (Texas News Photos.)

MILEAGE

"You're too
modest!"

Motorists who got the first G-3's put out—months before the public announcement—say, "You're too modest!" Many of them report 50% to 100% more non-skid mileage. Why, then, do we insist on only 43%? Well, 43% is a definite test-car-proved figure. Very likely it is low for normal use—because the tests which established the 43% average were gruelling: cars speeding up to 50, jamming on brakes, mile after mile, day and night. Very likely most motorists will get more than 43% more non-skid mileage. But we'll string along with 43%—because it's plenty to deliver at no extra cost. Come see the tire that's the talk of the nation.

McCRAW

encies," and to stress his own platform aims and qualifications.

As an outstanding example of the Coleman Senator's lack of "truth and honesty," McCraw urged that the Senator "is wet in one language and dry in another."

In support of this he presented a copy of an advertisement printed in "Der Hermanns Sohn," a German language newspaper. The advertisement in German read, "He (Woodward) is a good anti-prohibitionist."

Lady Went Back To Taking CARDUI and Was Helped

For severe periodic pains, cramps or nervousness, try Cardui which so many women have praised, for over fifty years. Mrs. Dora Dungan, of Science Hill, Ky., writes: "Several years ago, when I was teaching school, I got run-down and suffered intensely during menstruation periods. I took Cardui and was all right again. After I was married, when I felt all run-down and was irregular, I always resorted to Cardui and was helped." ... It may be just what you need. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Sold in \$1 bottles.

"That appeared in German in San Antonio, where wet sentiment prevails," McCraw said, "but in North Texas in the Star-Telegram and the Cleburne Review, both printed in English, the Senator said he personally was a dry and had always voted a dry ticket."

"The liquor question is not an issue in this race, but truth and integrity are," McCraw urged.

In substantiation of his statements that the utilities and the special interests are backing Woodward, McCraw pointed to the large expenditures being made by his opposition in the closing days of the campaign.

"Money spent in that way will have to be paid back, and the only way that it can be paid back is at your expense," McCraw declared. "They are beaten but are trying to prevent a crushing victory for McCraw."

McCraw also emphasized that his opponent is "still carrying on his campaign in hatred and prejudice, to distract your attention from his utility connections."

McCraw brought out that when the utility lobby, headed by the Samuel Insull-owned West Texas Utilities Company, fought the Colorado River Authority project designed to relieve drouth conditions, Woodward joined the battle against it.

McCraw also renewed his charge that as a State Senator, Woodward represented the West Texas Utilities Company and the Lone Star Gas Company.

BUDGET

coming into the treasury.

All funds coming into the treasury from county wide sources which include the auto license fees amounts to \$140,216.00.

The sum of \$69,459.78 is required to pay for bonded indebtedness and interest.

The levy for general fund purposes is \$37,790 and out of that amount \$16,540 is for salaries for public officials. The constitutional road and bridge funds levy brings in \$20,945. There is included in the budget an item of \$11,960 which goes for jury fees and service and \$6,355 is collected for the court

house and jail.

Precinct No. 1, of which Grady Stidham is Commissioner, received the sum of \$22,500 and this includes auto license fees and all allotments to his district. Commissioner precinct No. 1 received \$13,700; Precinct No. 3 \$15,00 and Precinct No. 4 \$12,926.

C. R. Isaacs, county auditor, said the budget had been reduced from

last year's figures by a small margin, and all items for which levies are made are necessary and the expenditures will be the most economical in many years.

Mrs. W. E. Gaither visited relatives in Dallas last week and Miss Annie Bowman, who has been here for several weeks with her sister, Mrs. Gaither, visited relatives in Waxahachie.

Miss Marjorie Reed, daughter of Wiltz Reed of Holland, granddaughter of Dr. Vol Reed who formerly lived in Cameron, and a cousin to Mrs. Jeff T. Kemp, was married to Quenton F. Gustafson of Austin on Monday morning, August 20th. Miss Reed has visited Cameron where she has friends who will be interested.

Mrs. Luke Zarr of Temple visited in the Bigbee House Tuesday and was accompanied home by Billie Bigbee who will spend some time with his grandmother.

Mrs. Benton Douthit and son Dr. Walton Douthit of Rockdale were Sunday guests in the W. L. Clark home.

Provided, further, that in case of war, riots, or insurrection, or a statewide calamity caused by earthquake, fire, flood or an epidemic which seriously threatens the health of the citizens of this State, the Legislature shall have authority, by a two-thirds vote of both Houses, to suspend for a definite period this constitutional limitation as to the amount of money which may be collected and expended during the biennium."

"Section 2-A.

(a) General management and control of the affairs of the County shall hereafter be vested in the Commissioners' Court, provided that in the exercise of powers not specifically granted to the Commissioners'

Court by the Constitution and amendments thereto, the Court shall be subject to the authority of the Legislature of the State, and the Court shall also be subject to all general laws of the State now in force not in conflict with the provisions of this amendment until such laws are modified or repealed.

(b) All duties heretofore performed by the Clerk of the District Court and the County Clerk shall hereafter be performed by an officer to be known as Record Clerk; all duties heretofore performed by the County Tax Assessor and the County Tax Collector shall hereafter be performed by one officer known as Tax Clerk; and in the counties where the sheriff performs the duties of the Tax Collector he may hereafter perform the duties of the Tax Clerk. The Record Clerk and the Tax Clerk shall be elected to hold office for a term of two (2) years and until their successors shall be elected and qualified. Miss Marianne Werner Becomes Bride Of Louis E. Kosh In St. Monica's Church Wedding Here Tuesday Morning Aug. 20

Of much interest to friends in Cameron and throughout the state was the marriage of Miss Marianne Werner of Cameron to Louis E. Kosh of Bryan on Tuesday morning, August 20th at eight o'clock. Father Henry Schroeder read the impressive ring ceremony in the presence of only relatives and a few close friends.

The altar of the church where the ceremony was said, was made beautiful with ferns and carnations.

Prenuptial Music
 "I Love You Truly," by Carrie Jacobs Bonds, was given by Mrs. Zets who also played Lohengrin's Wedding March.

The bridesmaids, Misses Frances

Hibner and Martha Schigut were dressed in frocks of pink crepe and wore corsages of pink gladiolas. She was also attended by Miss Mary Louise Cyva of Houston as Bridesmaid, who was dressed in powder blue net over blue taffeta and wore a large picture hat with blue slippers to match her gown. She carried an arm bouquet of pink carnations.

The Bride
 The bride was handsomely attired in white bridal satin fashioned in silhouette style. Her white silk veil was caught up with orange blossoms, and carried an arm bouquet of white carnations and ferns bowed with gold lace. For something old she knelt on her mother's wedding pillow to receive her blessing; for something borrowed, carried a handkerchief of her sister-in-law, Mrs. E. P. Werner; for good luck, wore a sixpense in her slipper. Miss Werner was reared in Cameron, is a graduate of Cameron High School, is beautiful and popular with a large circle of friends.

The bridegroom is the son of Mr. and Mrs. Joe F. Kosh of Bryan. He is employed by the extension department at A. & M. College. After completing Bryan High School attended A. & M. College. He has many friends in Bryan who congratulate him and welcomes his bride in Bryan circles. He was attended by Victor Kolojak of Bryan as best man.

Informal Reception
 Following the ceremony, guests were entertained with coffee at the

home of the bride's mother, Mrs. Werner, who was assisted in greeting the guests by Mrs. T. L. Randolph. Mrs. Joe Gurecky and Miss Martha Schigut presided at the coffee table which was centered with heart shaped wedding cake surrounded by a wreath of cut flowers. Each guest was served with a slice of the wedding cake. Assisting in serving was Mrs. T. L. Randolph, Mrs. Leo Werner. Mrs. Werner presided at the bride's book.

Out of town guests for the wedding were Joe Kosh, Mrs. H. A. Kusel and daughter, Miss Norma, Miss Cora Mae Link, Mrs. Link, Miss Albina Sebesta Mrs. John Visoski and daughter, Miss Margaret Ann.

Following the reception Mr. and Mrs. Kosh departed for a wedding trip to Oklahoma City. Mrs. Kosh wore a becoming traveling suit of black and white satin with accessories harmonizing. Upon their return they will be at home to their friends and acquaintances after the 25th of August at East 23rd Washington Street, Bryan, Texas.

MISS McCOWN TO WED

Announcement

Through negotiations recently completed with the heirs of the J. W. Coleman estate, I have acquired the entire interests of the Cameron Furniture Co., and the Coleman Funeral Home, and will continue to operate this business under a sole ownership.

Within the next few days, I will move the stock of the Cameron Furniture Company into the Sampson building which fronts on Main Street and located next to Stewart's Grocery Store. My new business in a new location will be known as

COLEMAN FURNITURE CO.

Due to lack of time, I am unable to advertise and conduct a removal sale as formerly planned, but during the next week, I am offering the entire stock at attractive discounts in an effort to move merchandise to make room for the new purchases which have been made for my opening in the new location.

I earnestly solicit the patronage of the people of Cameron and Milam County that this firm has always enjoyed in the past. I also want to assure them that this business always will be conducted on the same high plane, as it has been since it was established by my father more than twenty-two years ago.

Within a few days Formal announcement of the opening date in the new location will be made.

BATTLE OF BALLOTS SATURDAY

Draws First Blood

To Arlon B. Davis of Sulphur Springs, Texas, son of the famous Cyclone Davis, goes the distinction, if it is a distinction, of drawing first blood in the tense Allred-Hunter race for governor. According to Davis his father, Cyclone, was speaking for Tom Hunter to an "acre" of people in Gilmer, Saturday afternoon, when a stranger set up a microphone and asked to make an announcement. Getting Cyclone's permission, the man said he was Bennie Allred, brother of Jimmie Allred, that he had been scheduled to speak there for three weeks, and further, according to Davis, that Cyclone Davis had been breaking up other people's meetings for 45 years and that he was there to stop it. "Then I hit him," says Arlon. "Twice. Behind the ear and on the chin."

JAMES COLEMAN BUYS FURNITURE BUSINESS

James L. Coleman, who was associated with his late father, J. W. Coleman in the ownership and operation of the Cameron Furniture Co. and the Coleman Funeral Home, has purchased the interests of the heirs of the estate in the business.

Announcement is made by Mr. Coleman this week that he is now moving his stocks to the Sampson building across the street from the present location. The funeral home will occupy the same quarters as now and the furniture business will front on the street next to the Citizens National Bank building and adjoining the B. F. Stewart grocery.

Mr. Coleman announces new merchandise for the opening of the store on September 1. He is away in the Dallas market this week end to buy goods for the new store.

Mr. Coleman, a young man of business ability, is receiving the congratulations and good wishes of his friends on his entry into business for himself.

BRADSHAW ESCAPES IN FORFEITURE OF BOND

Although every means possible was used by Sheriff L. L. Blaylock to bring back here from Illinois, W. H. Bradshaw, who is charged with complicity in a swindle of \$1500.00 from a woman in Burlington, Milam County, the man was not returned to this county.

Sheriff Blaylock went to Springfield, Illinois, last week with a requisition, which was honored by the Governor of that State, and a warrant issued for the arrest of Bradshaw. Bradshaw's attorney had also filed a protest with the governor of that state, and before Sheriff Blaylock could get to Mt. Carmel to take Bradshaw into custody, he had been released on cash bond which he forfeited and had left Mt. Carmel about 24 hours before the Cameron Sheriff arrived.

Bradshaw's wife is also charged with a similar offense in Rosebud. She claims to be a phisic reader, whose stage title is "The Great Siona." She is still at large.

B. P. Matecha, prominent Cameron attorney, has returned from South Texas where he made speeches in behalf of Allred for Governor. He spoke at Schulenberg, Moulton, Shiner, Weiner and Hallettsville.

TWO NEW TEACHERS FOR SCHOOLS HERE

Thursday, August 16 the Cameron School Board met in special session and elected E. D. Parnell to the position of agriculture teacher, which position was made vacant through the resignation of Mr. Strickland.

Mr. Parnell has served in the capacity of agricultural teacher in the Runge school for the past eight years. He is especially well fitted for this work in his preparation and experience. Mr. Haynes, head of the State Department of Education, rated him among the upper ten per cent of the agriculture teachers of the State. Mr. Parnell completes his work for Master's Degree at A. & M. College the 25th of this month, with his major in agriculture. He comes to his new position with a broad vision and a desire to participate in useful work.

Monday of this week the Board of Trustees also met in special session and elected Miss Tiny Whitaker of Dallas to fill the position made vacant through the resignation of Miss Mangum.

Miss Whitaker has taught in the Port Neches school for the past three years. She has her A. B. degree from the University of Texas.

J. D. Eplen To Open Furniture Business

J. Dow Eplen, former associate in the Cameron Furniture Company, is opening a furniture business in Cameron this week end. The business will buy and sell new and used furniture.

Mr. Eplen will stock some new furniture also. The business will be located in the building next to the Milam Hotel. He has many friends here who will be glad to know he is again to enter business.

CITY SEEKS POLL LEVY AGAINST 3 UTILITIES

If the tax payers of Cameron want the city to have the advantage of \$3,500 in additional revenue, a saving that could be realized in lower taxes, they should at once urge the members of the Board of Aldermen to vote for an ordinance now pending and support Mayor Chas. C. Smith and City Attorney Bill Morrison in their efforts to secure this additional revenue.

The ordinance now pending is known as the "Pole Ordinance" and proposes to charge a small rental against the utility companies out of consideration for space given them on the streets and alleys of the city. This ordinance was introduced in the early stages of the Smith administration but Aldermen refused to pass it.

The ordinance was not voted upon but will be in the near future and the Mayor and City Attorney earnestly urge that all tax payers speak to the members of the Council about this method of reducing taxes before the vote is taken.

"I offered to withhold introduction of this ordinance," said Mr. Morrison, "if the Texas Power & Light Company would give the city its street lighting without cost, and if the telephone company would agree to a substantial reduction in business phone rates, I would agree not to press this legislation. The city now pays the light company \$1500 per year for street lighting. This amount is half the amount the company pays in taxes to the city. The purpose of this ordinance is two fold, to bring much needed revenue and to require these utilities to pay something for the privilege of using the property of the people which are the streets and alleys on which they do business and collect more than hundred thousand dollars each year in revenue from subscribers."

At the regular meeting on Tuesday night of the City Council the ordinance was presented by the City Attorney at the request of Mayor Smith. This ordinance, according to Mr. Morrison, is the same as an ordinance formerly in force in Dallas and which the Supreme Court of Texas approved after the utility companies contested the rental imposed by the city government there.

The companies to pay under the Cameron ordinance are the Southwestern Bell Telephone Company, Postal Telegraph and the Texas Power & Light Company.

VICTORY FOR McCRAW PREDICTED FOR TEXAS

AUSTIN, Aug. 22.—His intense, 500-mile runoff tour of Texas has convinced him that the people will overwhelmingly choose William McCraw, the lawyer, as their Attorney General, McCraw announced as he swept through the final week of his second primary drive.

McCraw, who led the field in the first primary by nearly 30,000 votes, declared, "The people of Texas now know that it would be a dangerous mistake to elect Walter Woodward, the utility-controlled politician to the highest law office of their state. They know that it is a lawyer's office and that McCraw, the lawyer is the man for the job."

In his concluding addresses in the larger cities of the state, McCraw continued to point out his opponent's "insincerities and inconsistencies" (See McCRAW on page 4)

Tom Hunter Speaker Here Friday at 2:30

Telegraphic information received by Postal this morning is that a speaker for Tom Hunter for Governor will be in Cameron at 2:30 Friday afternoon to speak for Hunter.

Local supporters for Hunter are making all preparations necessary for the meeting, it was announced.

NEW POLLING PLACE VOTED FOR CAMERON

A new voting precinct for Cameron was created last Thursday by the Commissioners Court.

The city has thus been divided into two voting precincts, one to be as heretofore at the court house and the other at the old grammar school or any suitable place in the new district.

The new precinct consists of all territory embraced as follows: Beginning on North Travis at city limits and extending south to Batte gin lot, thence to Santa Fe track and thence west to city limits. It is estimated that the number of voters will be about half of the city strength.

All residents not included in this new district will vote as heretofore at the court house.

A. E. Matula, manager of the Wm. P. Carey Company, lumber business, was made election manager. The first polling will be in the November election this fall.

The move to give Cameron two polling places is regarded as a step forward in progressive election management. The court took this action on recommendation made by the county Democratic Convention held on August 4th after J. B. White county chairman, requested a resolution asking this enactment.

Batte Will Answer Freeman Speech At Thorndale Friday

R. L. Batte, Jr., of Thorndale, will broadcast a speech in favor of Tom Hunter for governor over station KDRS at 10:30 o'clock Friday morning he announced Wednesday.

The address will be in reply to a speech broadcast by J. K. Freeman, attorney of Cameron, in behalf of Allred for governor. The speech of Mr. Batte can be received at 1120 kilocycles, he said.

He made a reply to Mr. Freeman in Thorndale on Saturday when the latter spoke there for Allred.

Friends of Mr. Batte and Hunter supporters are invited to tune in on the Thorndale station and hear his address.

RUN OFF PRIMARY IN COUNTY RACES ALSO

Texas is ready for the battle of ballots Saturday and Milam county voters are waiting for the polls to open at 8 o'clock so that they might register their choice for local as well as state officers.

Interest in the county run-off races center chiefly about the contest between Henderson Walker, Democrat, in the race for Assessor and Collector of Taxes, and Bill Alex Bonds, former tax collector. Another angle of the county contest is the race for Treasurer between Woodsie Devers and Ernest Howard.

In Precinct No. 1 Buford McMillion, who led the balloting in July, was pitted against Walter H. Fuchs for Commissioner.

Dick Hairston, veteran Commissioner in Precinct No. 3 is being opposed by R. S. Cloud and Clyde Moore in Precinct No. 4 is in the run-off with E. G. Stiles.

Of much interest in Cameron is the race between Womack Brashear and Henry Ruby for Justice of Peace for Precinct No. 1.

Considerable campaigning has been done for Tom Hunter and Jim Allred for governor in Milam county. Hunter was due to get a majority.

A reduction in the number of votes over the figure cast in the July primary was anticipated, due to the reduced number of candidates and lessening of general interest.

PICNIC FOR VISITORS

As a compliment to Miss Nelta Mayberry of Temple and Miss Alpha Erle Weisenant of Houston, who are guests of Miss Helen Swift of this city, a picnic was given on Friday night by Miss Swift.

Tax Payers Overlook Budget Meet Tuesday

Budget for the government of Milam County was adopted by the Commissioners Court Tuesday of this week. Notice of the meeting published last week failed to bring any of the tax payers to the meeting. Having given notice as required the court proceeded to adopt the budget.

When the budget was adopted in 1932 many taxpayers appeared and heard the budget discussed. This year none appeared.

The rate for the county was set at 70c on the dollar valuation. This amount when combined with the state rate gives the government an initial charge against the tax payers of \$1.47.

A reduction of 10c was made in the road district tax at Milam. This charge was fixed at \$1.60 prior to the budget hearing. Road district levies range from 20c at Cameron to \$1.50 at Milam, the highest in the county. These levies are due to bonded debts voted by property owners back in the bond orgy days when debts were considered "progressive."

The total amount of the budget is \$209,675.78 and this grand total takes into consideration all funds (See BUDGET on page 4)

Luckily she lived in the small area that received precipitation. (Texas News Photos.)

MORE NON-SKID MILEAGE

"You're too modest!"

Motorists who got the first G-3's put out—months before the public announcement—say, "You're too modest!" Many of them report 50% to 100% more non-skid mileage. Why, then, do we insist on only 43%? Well, 43% is a definite test-car-proved figure. Very likely it is low for normal use—because the tests which established the 43% average were gruelling: cars speeding up to 50, jamming on brakes, mile after mile, day and night. Very likely most motorists will get more than 43% more non-skid mileage. But we'll string along with 43%—because it's plenty to deliver at no extra cost. Come see the tire that's the talk of the nation.

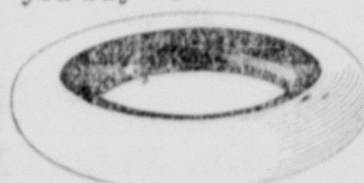

WHEN YOU "G-3" YOUR WHEELS ... LOOK WHAT YOU GET

No Extra Cost! Flatter, wider All-Weather Tread. More Center Traction (16% more non-skid blocks). Heavier Tougher Tread. Supertwist Cord Body and 43% More Miles of Real Non-Skid.

encies," and to stress his own platform aims and qualifications.

As an outstanding example of the Coleman Senator's lack of "truth and honesty," McCraw urged that the Senator "is wet in one language and dry in another."

In support of this he presented a copy of an advertisement printed in "Der Hermanns Sohn," a German language newspaper. The advertisement in German read, "He (Woodward) is a good anti-prohibitionist."

Lady Went Back

To Taking CARDUI and Was Helped

For severe periodic pains, cramps or nervousness, try Cardui which so many women have praised, for over fifty years. Mrs. Dora Dungan, of Science Hill, Ky., writes: "Several years ago, when I was teaching school, I got run-down and suffered intensely during menstruation periods. I took Cardui and was all right again. After I was married, when I felt all run-down and was irregular, I always resorted to Cardui and was helped." ... It may be just what you need. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Sold in \$1 bottles.

"That appeared in German in San Antonio, where wet sentiment prevails," McCraw said, "but in North Texas in the Star-Telegram and the Cleburne Review, both printed in English, the Senator said he personally was a dry and had always voted a dry ticket."

"The liquor question is not an issue in this race, but truth and integrity are," McCraw urged.

In substantiation of his statements that the utilities and the special interests are backing Woodward, McCraw pointed to the large expenditures being made by his opposition in the closing days of the campaign.

"Money spent in that way will have to be paid back, and the only way that it can be paid back is at your expense," McCraw declared. "They are beaten but are trying to prevent a crushing victory for McCraw."

McCraw also emphasized that his opponent is "still carrying on his campaign in hatred and prejudice, to distract your attention from his utility connections."

McCraw brought out that when the utility lobby, headed by the Samuel Insull-owned West Texas Utilities Company, fought the Colorado River Authority project designed to relieve drouth conditions, Woodward joined the battle against it.

McCraw also renewed his charge that as a State Senator, Woodward represented the West Texas Utilities Company and the Lone Star Gas Company.

TYPHOID FEVER CASES ARE FEW IN CAMERON

Dr. A. S. Epperson stated Monday that there were only two cases of typhoid fever here and these, however, had not been determined by blood tests. There is a fever called Brills disease that runs from about 14 to 21 days that is often mistaken for typhoid fever. There are several cases of this disease here, which at this time we don't know the cause, Dr. Epperson further stated.

There has not been any typhoid fever to amount to anything here for several years.

TO THE VOTERS

On Saturday, August 25th, the voters of Milam county will nominate one of two men to serve you as your FIRST County Assessor and Collector of Taxes. I am sure that all the voters agree that both my honorable opponent and I are fully qualified for this important office. May I remind you that this is a new office, that no man is an experienced County Assessor and Collector of Taxes and that there is no established system or precedent for your first Assessor and Collector to go by. I believe that I am capable of establishing and learning an entirely new system that will render the people the kind of service they deserve.

My opponent rendered the people of Milam County good service in the well-paying position of Tax Collector for ten years from 1914 until he chose not to run in 1924. After six and a half years as your County Surveyor, I am now seeking my first salaried public office as a form of promotion.

Thanks for your support on July 28 and I want to assure you that your vote on August 25th will be greatly appreciated.

Sincerely,

Henderson Walker

Of much interest to friends in Cameron and throughout the state was the marriage of Miss Marianne Werner of Cameron to Louis E. Kosh of Bryan on Tuesday morning, August 20th at eight o'clock. Father Henry Schroeder read the impressive ring ceremony in the presence of only relatives and a few close friends.

The altar of the church where the ceremony was said, was made beautiful with ferns and carnations.

Prenuptial Music

"I Love You Truly," by Carrie Jacobs Bonds, was given by Mrs. Zots who also played Lohengrin's Wedding March.

The bridesmaids, Misses Frances

She carried an arm bouquet of pink carnations.

The Bride

The bride was handsomely attired in white bridal satin fashioned in silhouette style. Her white silk veil was caught up with orange blossoms, and carried an arm bouquet of white carnations and ferns bowed with gold lace. For something old she knelt on her mother's wedding pillow to receive her blessing; for something borrowed, carried a handkerchief of her sister-in-law, Mrs. E. P. Werner; for good luck, wore a sixpense in her slipper. Miss Werner was reared in Cameron, is a graduate of Cameron High School, is beautiful and popular with a large circle of friends.

The bridegroom is the son of Mr. and Mrs. Joe F. Kosh of Bryan. He is employed by the extension department at A. & M. College. After completing Bryan High School attended A. & M. College. He has many friends in Bryan who congratulate him and welcomes his bride in Bryan circles. He was attended by Victor Kolojak of Bryan as best man.

Informal Reception

Following the ceremony, guests were entertained with coffee at the

home of the bride's mother, Mrs. Werner, who was assisted in greeting the guests by Mrs. T. L. Randolph. Mrs. Joe Gurecky and Miss Martha Schigut presided at the coffee table which was centered with heart shaped wedding cake surrounded by a wreath of cut flowers. Each guest was served with a slice of the wedding cake. Assisting in serving was Mrs. T. L. Randolph, Mrs. Leo Werner, Mrs. Werner presided at the bride's book.

Out of town guests for the wedding were Joe Kosh, Mrs. H. A. Kusel and daughter, Miss Norma, Miss Cora Mae Link, Mrs. Link, Miss Albina Sebesta Mrs. John Visoski and daughter, Miss Margaret Ann.

Following the reception Mr. and Mrs. Kosh departed for a wedding trip to Oklahoma City. Mrs. Kosh wore a becoming traveling suit of black and white satin with accessories harmonizing. Upon their return they will be at home to their friends and acquaintances after the 25th of August at East 23rd Washington Street, Bryan, Texas.

MISS MCCOWN TO WED

Many friends will be interested in hearing of the announcement of the approaching marriage of Miss Maggie Reed McCown, daughter of Mrs. Lillie Storey McCown of Houston. The wedding is to take place Saturday, September 15th at Houston. Miss McCown lived in Cameron for a number of years with her parents and has many friends here.

Mr. Worcester was born and reared in Cameron where he had made his home up to a few years ago. He was married to Miss Beulah Kirk ten years ago. To this union were born three children. He had been a member of the Methodist church for many years, and has many friends in Cameron.

Surviving him are his wife, three children, Waymah, Nell Sue and

George B. Worcester; his parent Mr. and Mrs. D. B. Worcester, one brother Ed Worcester of Temple, four sisters, Mrs. Richard Gates of El Paso, Mrs. H. S. Vaughn of Milano, Mrs. M. Bates of Fort Worth, and Mrs. W. H. Gregg of Caldwell.

W. G. McMillan of Lubbock was in Cameron Wednesday. He has been visiting his brother near Jones Prairie. He is a building contractor there and is interested in Indian flint work, already having accumulated a large number of specimens. While in the city he was a guest of The Herald editor who also has a very large collection consisting of some 25,000 specimens. Mr. McMillan brought some Panhandle specimens with him. His camp sites are scattered over a wide area of the southern plains counties.

Mrs. Wilson Gunn and son Sherman are here on a visit with her parents, Mr. and Mrs. J. H. DuBois while her husband is attending to business in Bryan.

Announcement

Through negotiations recently completed with the heirs of the J. W. Coleman estate, I have acquired the entire interests of the Cameron Furniture Co., and the Coleman Funeral Home, and will continue to operate this business under a sole ownership.

Within the next few days, I will move the stock of the Cameron Furniture Company into the Sampson building which fronts on Main Street and located next to Stewart's Grocery Store. My new business in a new location will be known as

COLEMAN FURNITURE CO.

Due to lack of time, I am unable to advertise and conduct a removal sale as formerly planned, but during the next week, I am offering the entire stock at attractive discounts in an effort to move merchandise to make room for the new purchases which have been made for my opening in the new location.

I earnestly solicit the patronage of the people of Cameron and Milam County that this firm has always enjoyed in the past. I also want to assure them that this business always will be conducted on the same high plane, as it has been since it was established by my father more than twenty-two years ago.

Within a few days Formal announcement of the opening date in the new location will be made.
